### CONGRATULATORY LETTER

*His Holiness Buddha Vajradhara III Yangwo Wan Ko Yeshe Norbu has magnificently spread the Buddha-dharma. A Treasury of True Buddha-Dharma manifests perfect mastery of the Five Vidyas. It will cause the Buddha-dharma and especially the Vajrayana dharma to flourish. It will restore dharma that had faded and will cause the growth of dharma that has not yet faded. In these last five hundred years of the Dharma-Ending Age, it will allay all of the disasters of living beings who are in the midst of suffering. It will even cause living beings to realize the ultimate fruit of Buddhahood. May all living beings have such wonderful karmic conditions!*
